

Anti Corrosion Gray Cast Iron Hydraulic Pump Shell Pump Housing Casting Vacuum Pump Parts

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Ningbo China
- Brand Name: NC780
- Certification: ISO 9001
- Model Number: 780
- Minimum Order Quantity: 1 pcs
- Packaging Details: Wooden Case
- Delivery Time: 25-30 days
- Payment Terms: L/C, D/A, D/P, T/T
- Supply Ability: 60000 pcs per month

Product Specification

- Item Name: Pump Sell
- Material: Cast Iron
- Surface Treatments: Powder Coating, Painting, Polishing
- Standard: ANSI
- Surface Roughness: Ra6.3
- Service: OEM And ODM
- Tolerance: CT7-CT9
- Highlight: **gray iron casting process, green sand casting**

Product Description

Anti Corrosion Gray Cast Iron Hydraulic Pump Shell Pump Housing Casting Vacuum Pump Parts

Description

Sunrise Foundry is one famous foundry company in China who specialized in various metal casting products with over 25 years experience, located in Ningbo China.

Products are widely used in Agriculture machinery, Motor Vehicle, Architecture, Railway and Engineering.

As a professional company, we have four groups of experienced teams to be in charge of different work:

Marketing Team: customer service.

Engineering team: provide technical support.

QC team: quality control and incoming parts inspection.

Warehouse team: warehouse management and logistic service.

Product Details

Product name	Corrosion Resistance Gray / Grey Cast Iron Hydraulic Pump Shell Pump Housing Casting for Vacuum Pump Parts
Applicable Material	Grey Iron, Ductile Iron
Certification	ISO9001:2008
Surface treatment	Heat treatment, plating
Process	Sand casting, coated sand shell mold or centrifugal casting
Packing	Pump Casing per unit packed in a plastic bag, each plastic bag to a carton. Or up to you
Payment Terms	T/T
Surface Roughness	Ra6.3
Cast Tolerance	0.2mm-0.8mm
Size and design	As per customers requirement or sample

Grey Iron Grade

China	HT350	HT300	HT250	HT200	HT150	HT100
Germany	GG35	GG30	GG25	GG20	GG15	
United States	NO.50	NO.45	NO.35	NO.30	NO.20	
Japan	FC350	FC300	FC250	FC200	FC150	FC100

Our Service

1. Drawing: We will translate your original drawing, make manufacturing procedure plan, offer professional suggestions on the design if needed.
2. Engineering design software: Solidworks, Auto CAD.
3. Quality control: We have full set of quality control system to guarantee best product quality. Depends on the products, we make different item testing plan, different manufacturing procedure and provide certified lab mechanical testing.
4. Sample: Samples available.

FAQ

Q: How about the quality guarantee period?

A: One year.

Q: How can you guarantee the production quality?

A: We have strictly quality control system in our production process. We are honest and reliable supplier who never cheat the clients. With us the money is safe and any quality issue the payment will be refundable.
