

Lost Wax Casting Stainless Steel Casting Three Spoke Handwheel Without Handle

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Ningbo China
- Brand Name: NC49
- Certification: ISO 9001
- Model Number: 49
- Minimum Order Quantity: 1 pcs
- Packaging Details: Pallet
- Delivery Time: 35 days
- Payment Terms: T/T, L/C
- Supply Ability: 50,000 pcs per month

Product Specification

- Material: Stainless Steel
- Process: Silica Sol Investment Casting
- Finish: Natural Color
- Standards: AISI, ATSM, UNI, BS, DIN, JIS, GB Etc.
- Size: As Per Drawing
- Product Name: Stainless Steel Casting
- Highlight: **stainless steel investment casting, lost wax casting stainless steel**

Product Description

Lost Wax Casting Stainless Steel Casting Three Spoke Handwheel Without Handle

Application

Its three spoke, center cutaway design allows for the utmost finger and palm engagement so as to maximize effectiveness in making minute adjustments while maintaining comfort. For flexibility in application, this handwheel features an oversized hub which allows for a variety of set screws, keyways, and bore sizes.

Factory Information

Sunrise Foundry is the manufacturer for various Metal castings with over 10 years' experience. Our products are widely applied in Agriculture machinery, Machine tool, Automobile industry, Railway, Shipping and Engineering.

Product Details

Application	Valve / Pump / Agriculture Machinery / Elevator Part / Construction Tools / Printing Press Equipment / Auto Parts / Firefighting Equipment / etc
Process	Casting, Machining, Surface treatment
Casting Process	Clay dry sand casting / resin sand casting / precision casting / investment casting / lost wax casting / shell-mould casting / silica sol casting / water glass casting
Casting blank size	2 mm-1000mm / 0.08inch-36inch / according to customer's requirement
Casting blank weight	0.01kg-1000kg
Casting tolerance	CT5-CT8
Machining tolerance	0.005mm-0.01mm-0.1mm
Machining	CNC Machining / Lathing / Milling / Turning / Boring / Drilling / Tapping / Broaching / Reaming / Grinding/ Honing / etc
Surface quality	Ra 0.8-Ra3.2 / according to customer requirement
Surface treatment	Shot blasting / Polishing / Painting / Powder coating / Anodizing / Zinc plating / Nickel plating / bluing / blacking / etc
Quality control	100% inspection before shipment
Design / File formats	Auto CAD(IGS, DXF, DWG, STP, STL ,X-T) / Solid Works / Unigraphics / PDF / etc
Certification	ISO9001:2008
Package	Bubble plastic bag / pallet / wooden case / paper box / etc
Sample	Available
OEM service	Available

Service

1. OEM&ODM are provided.
2. 24 hours online technical support.
3. Equipped with advanced inspection facilities and the professional inspectors for the products' testing and inspection.
4. Customized orders are welcomed.
5. Sample will be offered before the trial order.

Advantages

1. We have our own R&D team for technical support.
2. Equipped with advanced inspection facilities and professional inspectors.
3. Our conversation will be absolutely confidential to the third party.

FAQ

1. Can we get the samples?

Yes, we can supply you the samples for checking our quality within 10-30 days.
