

Cast Ductile Iron Grooved Pipe Fittings Grooved Quick Flange Adaptor for PE PVC Pipe

Our Product Introduction

for more products please visit us on greycastironcasting.com

Basic Information

- Place of Origin: Ningbo
- Brand Name: NC135
- Certification: ISO 9001
- Model Number: 135
- Minimum Order Quantity: 1 pcs
- Packaging Details: Wooden Case
- Delivery Time: 30 days
- Payment Terms: T/T, L/C
- Supply Ability: 300,000 pcs per month

Product Specification

- Item Name: Grooved Quick Flange Adaptor
- Material: Ductile Iron
- Process: Iron Casting
- Color: Red Or Blue
- Type: Grooved Fittings
- Surface Treatment: PAINTING,EPOXY,GALVANIZED
- Pressure: 300PSI 500PSI 2.5MPA
- Highlight: **ductile iron pipe fittings,
pipe fitting components**

Product Description

Cast Ductile Iron Grooved Pipe Fittings Grooved Quick Flange Adaptor for PE PVC Pipe

Description

We are a professional producer of mechanical pipe joining solutions and grooved pipe joining systems.

Products are mainly including:

1. Rigid coupling, Flexible coupling
2. Grooved equal tee, Grooved reducing tee, Threaded reducing tee, Grooved mechanical tee, Threaded mechanical tee, Threaded U-Bolted mechanical tee.
3. 90° Elbow, 45° Elbow, 22.5° Elbow, 11.25° Elbow
4. Grooved equal cross, Grooved reducing cross, Threaded reducing cross
5. Grooved reducer, Threaded reducer, Threaded eccentric reducer
6. Grooved adaptor flange, Threaded adaptor flange, Split Flange

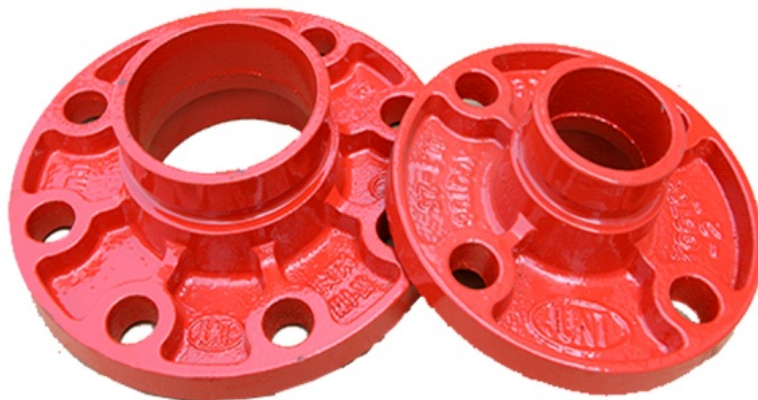

Our pipe fitting solutions can meet specific business needs such as accommodating thermal movement, providing seismic solutions, safer system installations, pipeline maintenance and installation, fire protection piping and noise and vibration attenuation.

We also have a very professional laboratory with full series of testing and inspection, such as hydrostatic strength testing, raw material receiving inspection, batch chemical composition inspection, microstructure testing, dimension inspection, first article inspection, in-process inspection and final visual inspection in order to ensure the product quality.

With mature and advance technology, quality product, prudent working style, we believe we will be your best supplier!

Product Details

Item	Coupling, elbow, tee, cross, reducer, cap, mechanical tee, mechanical cross, flange adaptor
Standard	ANSI, ASTM, DIN, JIS, GB, BS, etc.
Type	Manufacturer
Size	1/2"-12"
Material	Ductile iron
Finish	Paint, Epoxy or Galvanization
Approval	FM / UL / CE
Usage	1) Automatic sprinkler system for fire protection on commercial, civil and municipal constructions like water supplying, gas supplying, heat supplying, etc. 2) Industrial pipeline system on shipping, mine, oil field, textile, powder plant, etc. 3) Pipeline system on subway station, railway station, airport, seaport, bridge, etc.
Payment	L/C or T/T
Delivery Time	Within 30 days or as per customers requirement

Product Features: Simple to install, positive stop, corrosion protection.

Our Advantages

1. Low price, high quality, fast delivery, strict inspection
2. The fastest delivery
3. The lowest price
4. Most comprehensive standards and materials for your choice

5. Our products EXPORT to Africa, Oceania, middle east, eastern Asia, Western Europe etc.

Our Service

1. Complete Procurement Management - Customized Service for your China procurement program;
2. Product Development - Professional support and management for the success of the project;
3. Quality Control - Quality assurance of your product manufactured in supplier logistic service;
4. Logistic Service - On time delivery;
5. Research and Reporting Services - Accurate and reliable information necessary to make the right decision.
