

## Round Square Valve Body Casting Underground Surface Valve Box Water Meter Surface Box

Our Product Introduction

for more products please visit us on [greycastironcasting.com](http://greycastironcasting.com)

### Basic Information

- Place of Origin: Ningbo China
- Brand Name: NC145
- Certification: ISO 9001
- Model Number: 145
- Minimum Order Quantity: 1 pcs
- Packaging Details: Customized
- Delivery Time: 30 days
- Payment Terms: L/C, T/T
- Supply Ability: 60,000 pcs per month

### Product Specification

- Part Name: Underground Valve Box
- Material: Ductile Iron
- Finish: Bitumen,epoxy,paint
- Application: Used For Underground Valves
- Certifications: ISO9001:2008
- Size: As Per Drawing
- Highlight: valve parts casting, stainless steel sand casting

## Product Description

### Round Square Valve Body Casting Underground Surface Valve Box Water Meter Surface Box

#### Description

Cast iron Surface Boxes, Meter Boxes, Valve Boxes, Water Boxes, Hydrant Boxes made by our factory has been through strictly controlled quality system. They should be Smooth and free from sand holes, blow holes, distortion or any other defects.

There are different types for your reference:

Hinge Type with chain type

Lockable

Lifting Key holes

Double triangular

OEM service

#### About Us

Our main products are the ductile iron pipe fittings, manhole covers, gully grates, all kinds of valves, dismantling joints, flanged adapters, couplings, valves, water meter, manhole covers, steel flanges, steel pipe fitting, rubber O-rings, fasteners, pumps, motor shells and any other iron castings, steel castings, stainless steel castings.

Our products have been exported to many countries and cities, winning the good reputation from customers due to superior quality and best service. And we not only supply the current products but also develop new products in accordance with clients' requirements and samples.

#### Product Details

|                      |   |
|----------------------|---|
| Product Name         | High Quality Surface Box and Valve Cover Made in China for Water            |
| Materials            | Ductile iron  |
| Standard             | ISO9001:2008, EN124 B125,C250,D400  |
| Weight(kg)           | 31 / 48 / 25  |
| Surface Treatment    | Black Bitumen Coated  |
| Usage                | Underground Valves and Hydrant  |
| Shape                | Round and square  |
| Production Process   | Automatic machine lines<br>Moulding boards<br>Green sand with hand moulding |
| Delivery Time        | Within 30-35 days   |
| Payment Term         | L/C, T/T, D/A, D/P, etc. But different payment for different countries.     |
| Special Requirements | As per guest's requirements   |

### **Our Ability**

Our annual production capacity is about 35,000 tons, our major equipments include 2 sets of automatic moulding lines, 4 sets of 5-tons cupola and furnaces, 2 sets of load testing machines, 5 sets of core-shooting machines, 3 set of shot blasting machines, 4 set of water pressure machines, and all necessary chemical and physical test facilities.

### **Our Service**

1. Fast Delivery: around 10 days below 500Metric Tons after sight of Irrevocable L/C or Deposit
